

# Sport Relief

**21/3/2010**

As a result of Sunday's epic Water Orton to Coleshill licensed premises run, Centurion Running Club will be donating £380 towards the Sport Relief Appeal. This is our best effort to date, aided by some very nice weather, a few more venues added to the collecting/drinking route and the tireless (well actually we did get a bit tired) efforts of the team – Mick, Andys (Mathews and Rea), Butch, Neil P and Paul B.

People gave generously at most venues, particularly the Green Man. However, the coveted top donator award this year goes to Geoff Wheeler, just shading it with an impressive £10.10 after a head to head bidding war with Tony Haden.

Well done to all who took part and supported. The team are already in training for 2012.

Paul
